College Statistics Show Peculiar Facts

student migration shows that New Jersey lends all other states in the tion, the survey showed, of students percentage of its college students of southern states to states of the ent to other stries to be educated, north. Outside of a limited amount Hampshire leads all others in of migration from one southern state percentage of students removed to another, southern student migrafrom other states for education, and tion is almost nii. New York ranks first in the total number of undergraduates sent outlide the state for college instruction.

PRISON FARM

This information is furnished by Dr. Robert L. Kelly, executive secrefary of the Council of Church Dourds of Education, who has commoted a survey for that organization of student movements throughout not include the larger state univerof Colleges and Secondary Schools, the Association of Colleges and Secmdary Schools of the Southern States and the University of Call-

The survey revealed, Dr. Kelly und that Ohio and Pennsylvania are - the lead with the greatest numby of colleges, there being 17 in ach state; while there are 12 states which have no accredited college These are Alabama, Arizona, Arkanvada, New Mexico, Oklahoma, Utah, West Virginia and Wyoming. These the list surveyed.

Conversely It is interesting to note," said Dr. Kelly, "that Califorhis comes the nearest of any state to taking care of her own students. Only 6.6 per cent of California students attend college outside of the

Amons other facts revealed by he survey are:

Ohio leads in the total number of ollege students enrolled.

The District of Columbia has the ighest average enrollment per col-

lege, which is 2629. Massachusetts leads in the total number of students drawn from outside the state, the number being
